

Summer Camps

at the Mount Airy Museum of Regional History

Mad Scientists

July 16 - July 20, 1-5pm

This week will be all about science! Five days of experiments and activities that will be explosively fun! Put on your lab coats and prepare for some slime!

Nature Explorers

July 23 - July 27, 1-5pm

Look up, look down, and check out world all around you! We'll spend this week learning about and exploring our environment and natural habitat.

Time Travelers

July 30 - August 3, 1-5pm

Ever wonder what it was like to be a Native American in early North Carolina? What about a colonial settler? We'll travel through time and experience different centuries and decades with a week of mystery and fun!

Ages 5-10. Each day includes crafts, activities, museum tours, and a snack.

Members - \$60 Non-Members - \$70

*per child, per week
