No. 25585 **Instruction – Reopening Plan**

Superintendent Gilbert presented the Patrick County Public Schools reopening of schools Instruction Plan. The Virginia Department of Education Website has provided resources and information for schools and communities on Virginia’s Return to School.

Plan for school schedules

In planning for reopening, Patrick County Public Schools recognizes a variety of possibilities for providing instruction to students. The focus during planning instruction and communicating with families are based on two scenarios/options. Option 1 is a blended learning model including staggered schedules with virtual/remote learning. Option 2 is a total virtual/remote learning model with Patrick County Public Schools providing online coursework and materials with no face-to-face instruction. For either option, student coursework will be required and assignments will be graded.

Option 1 – Blended Learning: To ensure students and staff can meet physical distancing requirements, instructional delivery will require a reduced schedule on in-person learning, with virtual or remote learning on days when students are not present in the building. Beginning August 11, 2020, Patrick County Public Schools will operate on a 50 percent attendance capacity as shown in the model below. Students will be assigned as an A group or a B group. The A group will attend face-to-face classes on Monday and Tuesday with virtual/remote learning occurring on Monday, Tuesday, and Wednesday. Specific school schedules will be communicated from each school. Every effort will be made to ensure siblings attend face-to-face classes on the same days.

Option 2 – Virtual/Remote Learning: For virtual/remote learning, students will be served from home using school issued devices or paper packets of materials. For families who elect this option, students will receive required coursework online and/or via paper packets with support from the teacher during office hours. If paper assignments are requested, they must be picked up and returned to school weekly. Teachers will not be available for live lessons as they will be conducting in-person classes at school. Teachers will make available a time on Wednesday to clarify questions.

Transportation

School buses will enact new capacity limits and seating guidelines, per health and safety expectations issued by the Virginia Department of Health. Buses will be cleaned and sanitized between uses in accordance with guidelines. Masks will be provided and encouraged during bus routes.

Technology

PCPS students will be issued devices to be used according to current grade level.

K – 3: Ipads

4 – 12: Chromebooks

Whether learning takes place primarily in an online environment of face-to-face, digital resources and platforms including VA Virtual and Google Classroom will ensure students have access to high quality learning tools.

After reviewing all parts of the recommendation school board members discussed the different plans and the effect on students and staff.

Concerns by school board members:

1. Transportation – spacing students on bus using Plan 1
2. Ventilation of buses
3. PPE Equipment
4. Child care – if using grandparents’ risk of carrying Covid-19 home to them
5. Masks
6. Internet in county
 1. Work can be downloaded on Chrome
 2. Paper access will be provided, if they need paper packets
7. Staff who has high risk very concerned
8. Substitute teachers could be a problem
9. Goal is for all students to be back in school as soon as possible
10. Later start date

Superintendent Gilbert informed the school board that his recommendation was before the board as Phase 1 to begin with and to adjust as the school year as need be.

On motion by Ms. Walker seconded by Mr. Scott to table Items 6c – Instruction-Reopening Plan and schedule a work session on July 21, 2020 at 11:00 a.m. at PCHS.

Ayes: Harrell, Lawson, Scott, Simmons, Walker

Nays: None

No. 25586 **Health Mitigation – Reopening Plan**

The phased reopening of schools will require Patrick County Public Schools to conduct operations very differently in order to protect the health of staff and students while public health risks of Covid-19 persist. PCPS seeks compliance with the CDC Guidance for Schools and the Virginia Phase Guidance.

On motion by Mr. Scott seconded by Ms. Walker to table Item 6d until called work session by Tuesday, July 21, 2020.

Ayes: Harrell, Lawson, Scott, Simmons, Walker
